### EXAM CLOUD DIGITAL LEADER TOPIC 1 QUESTION 166 DISCUSSION

Actual exam question from Google's Cloud Digital Leader

Question #: 166

Topic #: 1

[\[All Cloud Digital Leader Questions\]](#)

An organization has decided to create a mobile app for their customer-facing service.

What may have prompted this business decision?

- A. Customers expect information to be easily accessible on any device.
- B. Customers expect mobile-only access to information in the cloud era
- C. Developers can apply increased data security on a mobile app.
- D. Developers can run different versions of the service to test features only through a mobile app.

**Selected Answer: A**

The most likely reason that prompted the organization to create a mobile app for their customer-facing service is that customers expect information to be easily accessible on any device, as option A suggests.

**Selected Answer: A**

the decision to create a mobile app for a customer-facing service is usually prompted by the need to provide customers with easy and convenient access to information and services on any device, rather than other technical reasons such as security or testing.
